[APPLICATION] **Method for multidimensional visual correlation of systems management data**
US Pat. 10753250 - Filed Jan 8, 2004 - International Business Machines Corporation
A method for monitoring system performance and communicating detailed system ...
The method of claim 1, wherein the metric point within the target-type ...

[APPLICATION] **Method for multidimensional visual correlation of systems management data ...**
US Pat. 10753545 - Filed Jan 8, 2004 - International Business Machines Corporation
Management vector display 500 is shown as a target representation, ... In the
first hour, system performance, as indicated by metric point 516, falls within ...

Adjustment of call selection to achieve target values for interval-based ...
US Pat. 6366666 - Filed Dec 16, 1998 - Avaya Technology Corp.
40 Step 210 indicates that, at a designated point within a given performance
interval, the actual achieved value is computed for the performance metric, ...

Methods for physiological monitoring, training, exercise and regulation
US Pat. 6996261 - Filed Jan 30, 2002
At this point, the subject's displayed activity metric happens to be fairly ...
At time=60 s in panel 12045, the performance target bar may 30 disappear, ...

Processing performance data describing a relationship between a provider and ...
US Pat. 6687560 - Filed Nov 13, 2001 - Electronic Data Systems Corporation
Cal- culator may retrieve a formula for calculating the metric Threshold meets
a minimum threshold value, but not a target ...

Method and apparatus for modifying design constraints based on observed ...
US Pat. 6907369 - Filed May 2, 2003 - Advanced Micro Devices, Inc.
In the illustrated metric, percentages over 100% indi- more of the process ...
models may vary depending design constraint based on the performance metric. ...

System and software for statistical process control in semiconductor ...
US Pat. 6727106 - Filed Jul 12, 2001 - Advanced Micro Devices, Inc.
Within the chart client as embodied herein, target recipe points may be ....
the transaction and performance monitoring system components underlying the ...

Contact lens and method for fitting and design
US Pat. 6802605 - Filed Dec 11, 2001 - Bausch and Lomb, Inc.
In contrast to this subjective exercise, an optical performance metric ...
12 to illuminate a subject's eye 50 45 while the subject fixates on a target ...

System and software for data distribution in semiconductor manufacturing and ...
US Pat. 6772034 - Filed Jul 12, 2001 - Advanced Micro Devices, Inc.
Within the chart client as 2o embodied herein, target recipe points may be ....

the transaction and performance monitoring system components underlying the ...

[APPLICATION] Business performance presentation user interface and method for presenting ...
US Pat. 10675679 - Filed Sep 30, 2003 - COGNOS INCORPORATED
[0166] Furthermore, the metric selector 966 provides viewers options of several
... a preferred view metric type so that sorted and/or filtered performance ...
